

Your financial hub of choice starts with one app for all your money needs.

Manage your finances with the WSB Touch App any time—day or night, giving you access to:

Link external accounts to your dashboard for a complete financial picture.

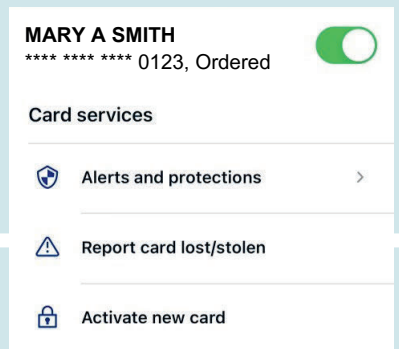

Chat with a real person and get one-to-one customer support from anywhere.

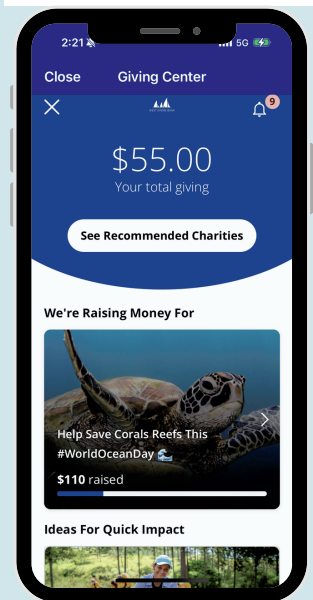

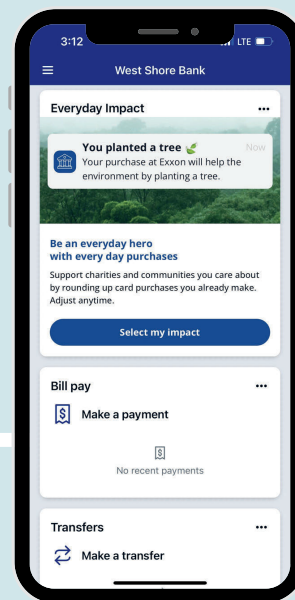

Conquer your monthly bills, monitor spending, set budgets, deposit checks, send money with Zelle® and track your credit score.

Easily set controls on your debit card.

Support non-profits and communities you care about with round-up debit card purchases or one-time or recurring donations to causes close to your heart.

Standard message, data and ISP rates may apply

Scan the QR to learn more about digital banking or get started today by downloading the WSB Touch App on the App store or Google Play.
